ENVIRONMENTAL IMPACT STATEMENT FOR F-15 BEDDOWN AND INFRASTRUCTURE UPGRADES AT ANDERSEN AIR FORCE BASE, GUAM PUBLIC SCOPING PERIOD

Comment Date: _____

Comments, suggestions, and relevant information are welcomed on the Department of the Air Force (DAF) proposal for the **F-15 Beddown and Infrastructure Upgrades at Andersen Air Force Base (AFB), Guam**. The DAF also welcomes comments under Section 106 of the National Historic Preservation Act (36 Code of Federal Regulations [CFR] Part 800) regarding the identification of or effects on historic properties. Please provide comments in English and mail to the address provided on the back of this form. Use additional sheets as necessary. You may also submit comments, or a request to become a consulting party under the Section 106 process, on the public website at www.AAFBInfraandF15EIS.com. *To ensure the DAF has sufficient time to consider public input, please submit comments within 30 days of publication of the NOI in the Federal Register, which is anticipated to occur on or around December 15, 2023. Visit the project website for additional information.*

Privacy Notice: This request for public scoping comments is in accordance with the National Environmental Policy Act (NEPA), the Council on Environmental Quality's NEPA regulations (40 Code of Federal Regulations [CFR] 1500–1508), and the Department of the Air Force's (DAF) *Environmental Impact Analysis Process* (32 CFR 989). The NEPA EIS process provides an opportunity for public input on DAF decision making, allows the public to offer inputs on alternative ways for the DAF to accomplish what it is proposing, and solicits comments on DAF's analysis of potential environmental effects. Public commenting allows the DAF to make better, informed decisions. Letters or other written comments provided may be published in the Draft or Final Environmental Impact Statement (EIS). Providing personal information is voluntary. Any personal information provided will be used only to identify an individual's desire to make a comment or to fulfill requests for copies of the EIS or associated documents. Private addresses will be compiled to develop a mailing list for those requesting copies. However, only the names of the individuals making comments and specific comments will be disclosed. Personally identifiable information, such as home addresses and telephone numbers, will not be published in the EIS. If you choose not to provide personal identifying information, your comments will be given the same weight and consideration as other comments submitted.
