**Privacy Notice:** This request for public comments is in accordance with the National Environmental Policy Act (NEPA), the Council on Environmental Quality's NEPA regulations (40 Code of Federal Regulations [CFR] 1500–1508), and the Department of the Air Force's (DAF) *Environmental Impact Analysis Process* (32 CFR 989). The NEPA EIS process provides an opportunity for public input on DAF decision making, allows the public to offer inputs on alternative ways for the DAF to accomplish what it is proposing, and solicits comments on DAF's analysis of potential environmental effects. Public commenting allows the DAF to make better, informed decisions. Letters or other written comments provided may be published in the Final Environmental Impact Statement (EIS). Providing personal information is voluntary. Personal information will be used only to identify your desire to make a statement during the public comment period or to fulfill requests for copies of the Final EIS. Only the names of the individuals making comments and specific comments will be disclosed in the Final EIS. Personally identifiable information, such as home addresses and telephone numbers, will not be published in the EIS. If you choose not to provide personal information, your comments will be given the same weight and consideration as other comments submitted.
