

ENVIRONMENTAL IMPACT STATEMENT

F-15 BEDDOWN AND INFRASTRUCTURE UPGRADES AT ANDERSEN AFB, GUAM

The Department of the Air Force invites you to the public meetings for the F-15 Beddown and Infrastructure Upgrades at Andersen Air Force Base Draft Environmental Impact Statement

The Department of the Air Force (DAF) is holding two meetings for the public to learn about and submit comments on the Draft Environmental Impact Statement (EIS) for the F-15 Beddown and Infrastructure Upgrades at Andersen Air Force Base (AFB), Guam. The Draft EIS addresses the DAF's proposal to beddown and support the mission of up to 12 Republic of Singapore Air Force F-15 fighter aircraft; and construct new infrastructure upgrades adjacent to the northwest corner of the airfield and within the munitions storage area at Andersen AFB.

The project website www.AAFBInfraAndF15EIS.com includes copies of the Draft EIS and informational materials for browsing and download. Printed copies of the Draft EIS and informational materials are also available for review at the Nieves M. Flores Memorial Library and the University of Guam Robert F. Kennedy Memorial Library. Printed material requests can be made via email to afcec.aafb.infrasandf-15eis@us.af.mil or by using the comment form on the project website. For printed material requests, the standard U.S. Postal Service shipping timeline will apply.

Public Meetings:

**When: Wednesday, July 17 and Thursday, July 18, 2024
5:00 p.m. to 8:00 p.m.**
